

Guidance for Wassenaar Arrangement Reporting

The following flowchart serves to diagram the process for determining reporting requirements for exporters. Please note that reporting requirements only apply to exports, **not reexports**. Where reporting is required, special instructions apply to exports of technical data and computers.

Flow chart data:

- C [Attachment A](#) - ECCNs subject to reporting requirements (§743.1(c)(1)).
- C [Attachment B](#) - Wassenaar Arrangement members.
- C [Attachment C](#) - List of countries in Tier 3.
- C [Attachment D](#) - Reporting requirements for technical data exports.
